

# Kahlil Sassa

## Full-Stack Software Engineer

Chicago, IL | 847.894.2675 | Kahlilsassa@gmail.com | Portfolio | [Github](#) | [Linkedin](#)

I am a model turned full stack software engineer who prioritizes user experience and consumer behavior in software design. I am passionate about curating data to build client-focused solutions centering around usability, user interface, scalability, and engagement.

### Skills

- **Programming Languages:** Python, Javascript, HTML, CSS, SQL
- **Frameworks and Platforms:** React.js, Node.js, Express, MongoDB, JQuery, Git.
- **Other Skills:** RESTful API's, Material UI, Github, Mongoose, Heroku, Bootstrap, Application & Database Object-oriented Design, Data Structures, Debugging, Responsive Design, Algorithms.

### Professional Experience

**Software Engineering Fellow | General Assembly** | Chicago, IL | August 2021 – April 2022

Completed a 420-hour full stack software engineering program, gaining experience in contemporary front and backend programming languages, tools, and methodologies. Developed projects using MERN stack, CRUD operations, and RESTful Apis.

- **Represent Clothing Website:** Built a luxury e commerce store with Node.js, Express, Mongodb, Mongoose, [<https://git.generalassemb.ly/kahlilsassa-1/Project-2>] [<https://ancient-sands-31685.herokuapp.com/>]
- **Muse Devs App:** Built a complete MERN Stack web application with peers. I created the overall design of the app, using CRUD operations, and utilized Material UI. [<https://github.com/MuseDevInc>] [<https://muse-dev.herokuapp.com/>]
- **Twitter Clone:** Built a full MERN Twitter clone. [<https://github.com/KahlilSassa/Twitter-Clone-Front-End>] [<https://twitclonefrontend.herokuapp.com/>]

**Team Lead Brand Ambassador | VIA Transportation** | Chicago, IL | March 2018 – Present

- Coordinated and managed teams of 5-10 members, promoting an inclusive, cohesive work environment.
- Generated 5,000+ customer leads utilizing guerrilla marketing and sales tactics.
- Tactfully tailored and presented promotional offers to match each customer's use-case.
- Trained 25+ new hires.

### Extra-Curricular Activities

**Assistant | CHM Bible Theater Productions, inc** | Champaign, IL | March 2021 – June 2021

- Managed and maintained commutative operations between teams. Organized confidential information. Facilitated events for students and children development.

### Education

**Software Engineering Immersive | General Assembly** | August 2021 – April 2022

**The Chicago School Of Professional Psychology** | Chicago, IL | March 2019 – May 2021

**Parkland College** | Champaign, IL | August 2014 – May 2017
